

**Missouri  
Association  
for Play Therapy**

## DR. SHIRLEY HENDRICKS SCHOLARSHIP

The purpose of the Scholarship is to assist a mental health professional working toward becoming a Registered Play Therapist.

### 1. Eligibility for Consideration:

- The applicant must be a MAPT member.
- The applicant must hold a Master's Degree or be working toward a Master's Degree in the mental health field.
- The applicant should possess the personal qualities thought to be desirable in a Play Therapist.

### 2. Procedures for Application:

- Two letters of recommendation must be submitted by administrators, mental health professionals, parents, teachers or community leaders.
- The enclosed application must be completed.
- Attach a copy of current graduate transcripts.
- Attach a copy of any CEU's earned related to Play Therapy.

Scholarships will be awarded on an annual basis. Scholarship recipients may receive up to \$500.00 paid directly to MAPT for conferences sponsored by MAPT.

Scholarship recipients must maintain current membership in order to redeem the award. A copy of the award certificate must be presented to the treasurer for reimbursement.

An applicant may be a recipient of the Dr. Shirley Hendricks Scholarship once in a lifetime.
